

## EURAXESS ASEAN Flashnote

20 March 2018

### MSCA Individual Fellowships. An Opportunity for ASEAN Researchers to Spend Up to 2 Years at a Lab in Europe. Call Opens 12 April

Individual Fellowships support the mobility of experienced researchers (in possession of a doctoral degree or with at least four years of research experience). They provide opportunities for ASEAN researchers to work on research in a European context (EU Member States and Associated Countries) and for European researchers to work in ASEAN. Call information [here](#)

### Your Research Idea in 3 Minutes. Falling Walls Vietnam and Malaysia Now Open. Win a Trip to Germany

Falling Walls Lab is a unique competition that provides young students, researchers and entrepreneurs a platform to present their innovative ideas, research projects and social initiatives. The challenge is to present this in just 3 minutes in English! All disciplines are welcome: from agriculture, medicine, economics, engineering to the humanities. Details [here](#)

### TWAS-LENOVO USD 100,000 Science Prize for Scientists from Developing Countries. Nominations from ASEAN Welcome

The TWAS-Lenovo Science Prize is one of the most prestigious honours given to scientists from the developing world. In 2018 the prize will be given for outstanding achievements in Engineering Sciences. Details [here](#)

### DAAD - SEARCA Graduate Scholarships for Southeast Asians in Agriculture and Related Fields

Applicants must not be more than 35 (Master's Degree) or 40 (PhD) years of age at the time of application. Proposed thesis research should focus on SEARCA's overarching theme of inclusive and sustainable agricultural and rural development (ISARD). More info [here](#)

### Dual Doctoral Programme in ICT and Medicine between University of Bremen Germany and Mahidol University Thailand. Deadline 31 July

This call is for potential PhD candidates who want to do their PhD research in the context of ICT and Medicine. Successful candidates will join the Mahidol Bremen Medical Informatics Research Unit (MIRU) and will be enrolled in the Dual Doctoral Degree programme between the University of Bremen and Mahidol University. Details [here](#)

## UK Royal Society International Collaboration Awards. ASEAN Researchers Eligible

The Royal Society has launched an award to enable outstanding UK research leaders to develop international collaborations with the best leading researchers from around the world, to work on some of the global challenges and problems facing developing countries. Deadline 3 May. More information [here](#)

## Georg Forster Research Fellowship (HERMES) for Postdoctoral Researchers. ASEAN Researchers Eligible (except Singapore and Brunei) Eligible. Rolling Deadline

The Georg Forster Research Fellowships for postdoctoral researchers from developing countries. 6-24 months in Germany. 6A monthly fellowship is offered of €2,650 for postdoctoral researchers (doctorate completed within the last four years) or €3,150 for experienced researchers (doctorate completed within the last 12 years). Details: [here](#).

## ERCIM: Post-Doc Fellowships. ASEAN Researchers Welcome to Apply. Deadline 30 April

ERCIM, the European Research Consortium for Informatics and Mathematics, offers fellowships for PhD holders from all over the world. Fellowships are of a 12 month duration, spent in one of the leading European Research Institutes which makes up part of the ERCIM network. Topics cover most disciplines in Computer Science, Information Technology, and Applied Mathematics. Details [here](#)

## Singapore-France Joint Grant Call. Deadline 31 March

Focus is on basic research into materials, nanotechnologies and nanosystems with relevance to addressing societal challenges including clean, secure and efficient energy; industrial renewal; sustainable mobility and urban systems; and information and communication society. Selected projects will be funded for up to 3 years. Each project will receive up to €250,000 (French component) and up to SGD\$450,000

(Singaporean component). Details [here](#)

## Denmark: Mobility Grants for Researchers from Indonesia, Myanmar, and Vietnam. No Deadline

Danida Mobility Grants to facilitate the creation and development of international networks and research collaboration through research stays in Denmark by researchers from growth and transition countries including Indonesia, Myanmar, and Vietnam. Details [here](#)

## 11 PhD positions in the NANOSTEM Initial Training Network (Marie Skłodowska-Curie-ITN). Open to Researchers in ASEAN. Deadline 15 May

The scientific aim of the NANOSTEM network is to develop and characterise a selected set of advanced nanomaterials, and to study their suitability as novel drug delivery systems to target NSCs to induce their differentiation and mobilization to areas of disease in the brain. The NANOSTEM network is formed by 9 internationally recognised research institutions and 5 partner organisations. Details [here](#)

## Green Talent Awards in Sustainable Development. ASEAN Researchers Eligible. Opens 9 April

This award offered by the German Federal Ministry of Education and Research (BMBF) honours young researchers from around the world for their outstanding achievements in making our societies more sustainable. Selected by a jury of German experts the award winners are granted unique access to the country's research elite. Details [here](#)

## Join Thousands of Fellow Researchers in the EURAXESS Network

The EURAXESS web portal makes it even easier for researchers, entrepreneurs, and businesses in Europe and ASEAN to interact with each other. The portal contains thousands of job postings as well as funding and fellowship opportunities. Find out more [here](#).
